

Class Notes Photo Guidelines

Prints and slides are best. They produce the highest quality appearance in print.

If sending digital photos, please send high-quality .jpg or .tif images taken at the highest-resolution setting of your camera, with a minimum of 300 dpi at 3" x 5" size. The larger the file size, the better the photo will appear in print. Regrettably, we cannot publish low-resolution digital photos.

Photos are selected for Class Notes on the basis of appeal to alumni and suitability for print. We are also sensitive to our readership beyond the Tuck community, such as prospective students. We do not print photos or text that we consider offensive, libelous, or inappropriate for the Tuck School of Business. Due to space limitations, we can publish a maximum of five photos per class.
