Survey on Transparency in Cameroon

Definitions of common terms used in this questionnaire:

- *MPs*: members of the lower house/chamber of the national/federal parliament.
- *Financial disclosure laws*: laws that require MPs to disclose their assets and liabilities.
- *Business activities' disclosure laws*: laws that require MPs to disclose secondary employment and business activities in the private sector, such as membership in a company's board of directors, or being an officer or advisor in a company.
- *Family members' individual interests*: Business activities and assets and liabilities owned separately by the MP's family, such as non-marital assets. We only consider assets and interests owned independently by an MP's family member, assets jointly owned are not considered.
- *Post-tenure agreements*: employment agreements and/or business transactions that an MP enters into after completing his parliamentary term, such as an agreement to work for a certain company after completing their parliamentary term.

PART 1: DISCLOSURE REQUIREMENTS

If your country requires Members of Parliament (MPs) in the lower house to disclose their financial and/or business interests, please use the blank disclosure form to supplement the law when completing this section.

The Loi 003/2006 is missing the implementation decree necessary to become enforceable. As a result, there is no Commission in charge of managing the declarations and there are no blank disclosure forms. The law on financial disclosure has many gaps. This questionnaire is responded solely on the basis of that law.
