## Survey on Transparency in Suriname

### **Definitions of common terms used in this questionnaire:**

- *MPs*: members of the lower house/chamber of the national/federal parliament.
- *Financial disclosure laws*: laws that require MPs to disclose their assets and liabilities.
- *Business activities' disclosure laws*: laws that require MPs to disclose secondary employment and business activities in the private sector, such as membership in a company's board of directors, or being an officer or advisor in a company.
- *Family members' individual interests*: Business activities and assets and liabilities owned separately by the MP's family, such as non-marital assets. We only consider assets and interests owned independently by an MP's family member, assets jointly owned are not considered.
- *Post-tenure agreements*: employment agreements and/or business transactions that an MP enters into after completing his parliamentary term, such as an agreement to work for a certain company after completing their parliamentary term.
