## Survey on Transparency in Rwanda

### **Definitions of common terms used in this questionnaire:**

- *MPs*: members of the lower house/chamber of the national/federal parliament.
- *Financial disclosure laws*: laws that require MPs to disclose their assets and liabilities.
- *Business activities' disclosure laws*: laws that require MPs to disclose secondary employment and business activities in the private sector, such as membership in a company's board of directors, or being an officer or advisor in a company.
- *Family members' individual interests*: Business activities and assets and liabilities owned separately by the MP's family, such as non-marital assets. We only consider assets and interests owned independently by an MP's family member, assets jointly owned are not considered.
- *Post-tenure agreements*: employment agreements and/or business transactions that an MP enters into after completing his parliamentary term, such as an agreement to work for a certain company after completing their parliamentary term.

## PART 5: DISCLOSURE REGISTRAR

This section requests information about the government agency which maintains the completed financial and business interest disclosure forms. The registrar may also check the completeness of the disclosure forms. The registrar may also publish the data on how many MPs complied/failed to comply with their obligation to disclose (“compliance data”). Note that the public availability of compliance data is different from the public availability of the actual disclosures, which is addressed in another section. This section inquires about the profile and activities of the registrar.
