Survey on Transparency in the Russian Federation

Definitions of common terms used in this questionnaire:

- *MPs*: members of the lower house/chamber of the national/federal parliament.
- *Financial disclosure laws*: laws that require MPs to disclose their assets and liabilities.
- *Business activities' disclosure laws*: laws that require MPs to disclose secondary employment and business activities in the private sector, such as membership in a company's board of directors, or being an officer or advisor in a company.
- *Family members' individual interests*: Business activities and assets and liabilities owned separately by the MP's family, such as non-marital assets. We only consider assets and interests owned independently by an MP's family member, assets jointly owned are not considered.
- *Post-tenure agreements*: employment agreements and/or business transactions that an MP enters into after completing his parliamentary term, such as an agreement to work for a certain company after completing their parliamentary term.

MPs disclose income in broad categories such as “income from teaching”. Even though the form lists only types of activities that an MP is allowed to engage, they provide an aggregate of the income per category, and it is not possible to determine the exact source, that is why we have considered it as “some sources of income”. Restrictions apply to business activities.
